Doug,

The estimate is correct as provided in the August 2008 annual report. We used unit costs specified in the 2007 version of WDEQ Guideline 12. The most recent version of Guideline 12 was not available until October 2008.

Krista

Krista -

In reviewing the Gas Hills annual surety update, I had a question about the cost estimate. The report was prepared in August 2008, but Appendix B, page B-1 of 8 indicates that the cost estimate is in 2007 dollars. Please clarify if the reclamation cost estimate is in 2007 or 2008 dollars.

Thanks.

Doug
