**Vogtle Electric Generating Plant Units 3 and 4
Management Organization Changes**

Ladies and Gentlemen:

Southern Nuclear Operating Company (SNC) is pleased to announce executive management changes required to strengthen the Vogtle Electric Generating Plant (VEGP) Units 3 and 4 Project team. The changes are as follows:

- Mr. J. A. (Buzz) Miller has been promoted to the position of Executive Vice President, Nuclear Development.
- Mr. David H. Jones has been named the new Site Vice President, Vogtle Units 3 and 4. He is responsible for all site activities associated with the construction of VEGP Units 3 and 4. He has approval authority for administrative and working procedures related to construction, staffing and training, start up and plant operation for VEGP Units 3 and 4. Mr. Jones reports to the Executive Vice President, Nuclear Development.
- Mr. David L. McKinney has been named the new Vice President, Nuclear Construction for Southern Company Generation (an affiliate company to SNC). He is responsible for VEGP Units 3 and 4 construction program oversight and serves as direct interface with the VEGP Units 3 and 4 engineering, procurement and contractor's (EPC's) on-site construction organization. Mr. McKinney reports to the Site Vice President, Vogtle Units 3 and 4.

Please revise the correspondence routine for SNC to reflect these changes. The mailing address for Mr. Miller is unchanged. SNC requests that Mr. Jones be added to the NRC's Vogtle Units 3 and 4 Project correspondence address list. Mr. Jones's address is:

Plant Vogtle - ATTN: Units 3 & 4
7825 River Road
Waynesboro, GA 30830

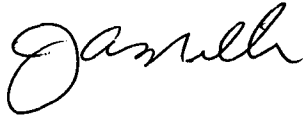

M006
D078
D092
NR0

These executive management changes also affect organization descriptions provided in the VEGP Units 3 and 4 Combined License Application. Changes to the affected application organization descriptions will be included in a future revision to this application.

If you have any questions regarding this letter, please contact Mr. Wes Sparkman at (205) 992-5061.

Respectfully submitted,

SOUTHERN NUCLEAR OPERATING COMPANY
