Thanks Diane.

I've attached the current rev of the report. Could you start thinking about the concurrence package and what formatting changes will need to be made to the IR. I wouldn't edit the rev yet, b/c I think John is still editing. We are working towards getting the concurrence package together on the 1/21. Maybe you could plan for that as well.

Thanks for your help!

All,

Attached is the current draft of the Oyster Creek license renewal commitments inspection report and the project plan. This report is to be issued on a tight schedule and we will be request some quick turnaround reviews to help facilitate that schedule.

We are sending the current draft as-is so when we request a 24 hour review, it won't be the first time you see the report. However, if you have any comments on this draft please do not wait, provide your comments to John Richmond.

Thanks in advance for your support. Let me know if you have any questions on the schedule or the report. Again, providing your comments as soon as possible is appreciated.

-Doug
