it is my understand that Sam has the Monday version of the report since he is with Ron Bellamy at BV and they are on their way to Perry.

That kind of answers our questions, should Sam see it. I knew that last week.

In the action plan, do we need to get back with HQ was there comments are resolved? Do you think you could expedite the last three actions to have the report out by the 21st? or at least try for that?

Thanks  
Marsha

Attached is the most recent revision of the project plan. Please discard other versions.

(I apologize for the multiple emails, I missed some comments in the last revision)
