13:20 I left a message on Mr. Ford's voice-mail for him to get back in touch with me.
15:30 Mr. Ford returned my call. When I informed him that the Commission had not yet received a renewal application, as stated in the July 1, 2009 telephone record, he stated that the application appeared to be with personnel in its corporate office. He was informed that a check needed to be cut and sent in with the application. I informed Mr. Ford that the check was probably for the annual fee which was a separate issue. Regulations required that a notice of termination or a renewal application be received by the Commission 30 days prior to the expiration date of the license which would be August 1st, in this case. Mr. Ford agreed to fax in a letter requesting renewal of the license and indicating that the full application would be sent in as soon as possible. I thanked Mr. Ford for his attention to this matter.
