LaShawn,

Randy told me that you would be covering for him this week. Please let me know the status of the July 31 Fermi 3 RAI response submittal. Specifically, I need to know the following:

- Was it sent out to the NRC Document Control Desk on July 31? If not, when will it be sent out?
- In addition to what was (or will be) sent to the NRC Document Control Desk, have the four CD copies of the submittal been sent to me? If not, please do so as soon as possible, or as soon as the July 31 submittal is completed.
- I asked Randy to send the four CD copies to me by overnight delivery if possible, and to provide me with the delivery service name and the tracking number. Please provide me with that information now or when available.
- Has the submittal been uploaded to Argonne's FTP site? If not, please do so as soon as possible (or as soon as the July 31 submittal is completed) and let me know when that's done.

Please let me know on these matters.

Thanks,  
Steve Lemont
