Jerry,

1pm is better for me.

*Thanks,*

**Subject:** Fermi 3 COL rev 1 submission

Adetutu,

I would like to set up a conference call with Detroit Edison as a followup to the issues with their Rev.1 COLA submission. There seems to be some confusion regarding use of revision numbers for those parts of the COLA that did not change. If everyone is available, I would propose doing the call this afternoon between 2:00 - 3:00 pm.
