Subject: Request for Additional Information

(NOTE: This will be used as the Documents Title in ADAMS)

8/5/2009 14:50 I spoke with Dr. Cicio about the license amendment request for adding Narendra Upadhyaya, M.D. to PIC's license. He confirmed that he was not a supervising individual while Dr. Upadhyaya was at Mt. Sinai but he would attest to the fact that Dr. Upadhyaya worked there and received supervised work experience there. He also confirmed that he worked with Dr. Upadhyaya in nuclear medicine at the Florida Institute for Cardiovascular Care (FL 2806-1) and at Dr. Upa Cardiology (FL 4093-1). I informed Dr. Cicio that a revised attestation statement would be needed naming the correct supervising individual at Mt. Sinai and a separate one for himself. He would be authorized to sign the attestation statement for both institutions. Dr. Cicio gave me a phone number to reach Dr. Upadhyaya but the "mailbox" was full and I could not leave a message. I did leave a message for someone from PIC to contact me.

8/6/2009 09:00 I was informed that Ms. Caronia was not in the office. The receptionist indicated that she would pass on the message and have Ms. Caronia get back in touch with me.

8/7/2009 13:30 I left a message on the voice-mail for Ms. Caronia to get back in touch with me.

8/10/2009 12:45 Ms. Nissen called on behalf of the licensee. I provided Ms. Nissen with the same information that I gave to Dr. Cicio on 8/5. She stated that she understood what needed to be done and would put together a new NRC Form 313A with the required information and have Dr. Cicio sign off on it.
