Subject: Advanced Service Providers' Amendment of NRC Service Providers License

To Whom It May Concern,

Advanced Service Providers is submitting this amendment to aourservice providers license so that we may service, repair, and perform leak tests on basis weight gauges to include devices manufactured by the following company: Mahlo. This is in addition to the device manufacturers included in our original license, which are: ABB Process Automation, Eurotherm Gauging Systems, Inc.; Honeywell International, Inc.; Impact; LFE; Measurex; NDC Systems; and Ohmart.

In addition, I have included my new contact number.

If there are any questions or concerns, I can be reached via my mobile phone: 816-392-1145.
