Dear Licensing Assistance Team:

License Number: **47-11451-01**
Docket Number: **030-06692**

Please accept this letter as notification of Capital Cement Corporation's intent to designate a new Radiation Safety Officer (RSO). I am requesting a change to the named Radiation Safety Officer for license number: 47-11451-01. The listed radiation safety officer named is Mark Andrews. This name needs to be removed from the license as Mr. Andrews is no longer an employee of Capital Cement Corporation. The referenced license needs the radiation safety officer to be listed as Patricia Millard. She has successfully completed training described in criteria in Section 8.7.1 of NUREG-1556, Volume 4. Training was provided by Thermo Fisher Scientific, Sugarland, Texas. A copy of the completion certificate is enclosed.

Should you require additional information on this matter, please contact Ms. Millard directly by telephone (304-260-1813) or e-mail (patricia.millard@essroc.com).

Sincerely,

Danny Lowe, CMSP
