FACILITATION SUPPORT**

**1. Price Proposal**

This price proposal is submitted by Strategic e-Business Solutions, Inc (SeBS) in response to a request for quotation request by the NRC contracting organization to support the changes to Task Order #3 under contract NRC-23-07-250. Specifically the requirements have changed for the Commission Level Document Development Lean Six Sigma Plan. The Program Office would like to create one project for SECY Papers and one for Congressional Correspondence. This section outlines the budgetary breakdown for this new requirement, based upon the current needs of the NRC.

**2. Level of Effort Proposal**

SeBS is submitting a Level of Effort proposal for the work requested for the next 9 months (9) months in the amount of \$160,750. Each of the efforts are priced separately. The following table breaks down the tasks and activities for this purpose.

Description	Quantity	Federal Cost
SECY Paper LSS Project Facilitation	1	\$ 52,758.98
Congressional LSS Project Facilitation	1	\$ 107,990.40
		\$ 160,749.38
ODC Travel Costs		\$ -
		\$ 160,749.38

The labor category prices are good for these tasks. It is expected that GSA will accept new updated pricing in the June timeframe so any new tasks will be priced at the newly authorized rates. This price proposal is good for 90 days from submission.

**3. Project and Labor Breakdown**

SeBS is proposing the following line items, labor categories, estimated hours, and labor rates based upon our original business proposal for this option year quote:

**SECY Paper LSS Project**

The labor categories and rates that are being proposed for completion of the current SECY paper LSS project are the same as the pricing proposed in our 2007 business proposal. For the completion of the current project according to the project plan milestones, SeBS anticipates that the effort would take the following:
