Subject: FW: link to little ERP

Michelle:

Per conversation on today's call, the permitting for the Barge Slip and Barge Slip Access Road, which we refer to as the little ERP, can be found via the attached link. Be sure to look under the "Related Environmental Resource Permit" sublink.

Paul,

All documents relating to the little ERP can be found on the FDEP siting office page under: Applications in Process/Levy/Related Environmental Resource Permit information.
