In the Matter of

CROW BUTTE RESOURCES, INC.

(License Renewal for the In Situ Leach
Facility, Crawford, Nebraska)

Docket No. 40-8943

ASLBP No. 08-867-02-OLA-BD01

June 13, 2009

AFFIDAVIT

I, David Alan House, hereby state as follows:

1. I make this affidavit in support of Owe Aku (Bring Back the Way), which was formed in 1998 to preserve and revitalize the Lakota way of life.
2. I live at 12601 Highway 2-71, outside Crawford, Nebraska. My home is located approximately 8 miles south south-west of the Crow Butte Resources, Inc. ("CBR") mining facility.
3. I obtain the water I consume in and around my home from a well. I understand that my well obtains water from the Brule aquifer.
4. I am therefore concerned that the renewal of a license for uranium mining at CBR's Crawford facility may result in continued effects on the quality and quantity of the water in my well. I am also concerned about surface water contamination due to CBR's continued in situ leach mining there.
5. I consider myself to be a member of Owe Aku and hereby authorize Owe Aku and its attorney to represent my interest in any administrative intervention regarding the proposed renewal of CBR's license for in situ uranium mining at its Crawford

facility.

This Affidavit is submitted in accordance with 10 C.F.R. Section 2.304(d) and 28 U.S.C. Section 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on June 10th 2009, in Chadron,
