Subject: Terminate or Renew license

(NOTE: This will be used as the
Documents Title in ADAMS)

On December 2, 2009, during a telephone conversation with the RSO, he indicated that he recommended to terminate license and was waiting for the CEO's approval.

On December 10, 2009, during a followup telephone call, the RSO indicated that the CEO does NOT want to terminate the license and is engaged in a discussion with a company that has IED detectors. The RSO will get more information from the CEO, review the last deficiency letter and provide a response by January 11, 2010.

NOTE: This license currently does not authorize the device in question. This license needs to be totally re-written in order to accurately reflect the work this licensee is performing.

Action Required: Wait for additional info from licensee
