Subject: Motion To convene Court at one or more
Ogalalla Lakota Cerimonies

My name is Theodore (Ted) P. Ebert. At a recent Sundance I prayed at the Tree of Life for some way to resolve our differences. I could hear the voice of my Elders as a boy saying to me. When there are differences amongst people they go and live with each other till they see each other in a respectfull way.

In our way of life we strive to respect all people, places, things, - Though ~~we are~~ ^{I am} in disagreement with your venture. From my heart ~~I ask if you I~~ Invite you to join us at a ceremony. I prayed hard as to which ceremony and were, for this reason I would choose that for the best result for all concerned that Grandfather should decide this.

Sincerely
Plaintiff for
Theodore P. Ebert
