FOIA REQUEST

Fee benefit requested

Fee waiver requested

Expedited processing requested

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of Records of all safety infractions and associated penalties at nuclear power plants in South Carolina from 1990 until present day, or information as close as available to that time frame.

I would like to receive the information in electronic format.

As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information on that is of current interest to the public because This information is being sought on behalf of *WCBD News 2* for dissemination to the general public.

Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

Please provide expedited processing of this request which concerns a matter of urgency. As a journalist, I am primarily engaged in disseminating information. The public has an urgent need for information about Nuclear power plant safety because there has been an international nuclear disaster and our state has several nuclear power plants. I certify that my statements concerning the need for expedited processing are true and correct to the best of my knowledge and belief.

I look forward to your reply within 20 business days, as the statute requires.
