Ludeman Project – Materials License Amendment Application (Docket No. 40-9095)
Materials License No. 49-29384-01 (PFN Well Logging Tool)

Dear Mr. McConnell:

As a follow up to Donna Wichers letter dated February 22, 2011 notifying the NRC of the change in our corporate lineage from Uranium One Exploration, Inc with and into Uranium One Americas, Inc., attached for your records is the certificate of ownership and merger and articles of merger which merge Uranium One Exploration U.S.A. Inc with and into Uranium One Americas, Inc. in each of the States of Delaware and Nevada. As a note, the February 22, 2011 letter from Donna Wichers was send FedEx and received by M. Rosario (FedEx delivery Information attached) in your office on February 23, 2011. When discussing the status of this letter with Mr. Ron Linton on March 21, he checked your records and informed me the NRC had never received the letter. I sent Ron a copy of the February 22, letter but wanted to make sure the record reflects the receipt of the letter on February 23, 2011, and to bring this to your attention.

As stated in the February letter, Uranium One Americas, Inc is the licensee under Materials License SUA-1596 for the Moore Ranch Project in Campbell County Wyoming, Material License No. 49-29384-01 relating to a PFN Well Logging Tool and the applicant under Materials License Applications for the Jab & Antelope project and Amendment Application for the Ludeman Project. Likewise, Uranium One USA, Inc. ("Uranium One USA") is the licensee under Materials License SUA-1341 for the Willow Creek Project in Johnson and Campbell County, Wyoming. At the time of the February 22, 2011 letter, Uranium One USA was a wholly owned subsidiary of Uranium One Exploration U.S.A. Inc ("Uranium One Exploration") which was a wholly owned subsidiary of Uranium One Americas, whose ultimate parent corporation is Uranium One Inc. ("Uranium One"). For tax and accounting purposes unrelated to the licenses or projects covered thereunder, Uranium One will merge Uranium One Exploration with and into Uranium One Americas, with Uranium One Americas remaining as the surviving entity.

Thus, the merger does not provide for or anticipate any changes to the Licenses, Licensees, or any of the projects covered under the Licenses. The merger does not anticipate or provide for any changes to the officers or directors of Uranium One USA or Uranium One Americas; will not affect (i) the personnel having control over license activities (including the RSOs); (ii) the use, possession, location, or storage of license materials; (iii) Uranium One USA's or Uranium One America's organization; (iv) the facilities, equipment and records associated

with the Licenses; (v) any of the operating or safety procedures associated with the Licenses; or (vi) the surety arrangements, bonds and letters of credit associated with the Licenses.

Since the merger does not affect Uranium One USA, Uranium One Americas or the operations and activities under the Licenses, Uranium One believes no additional filings are required with regard to this merger. If you have any questions about this letter or the merger, please contact me at (307) 234-8235, ext 331 (jon.winter@uranium1.com) or Donna Wichers at (307) 234-8235, ext 333 (donna.wichers@uranium1.com)

Sincerely,

Jon Winter
