Public Participation: This is a Category 1 Meeting. The public is invited to observe the meeting and will have one or more opportunities to communicate with the NRC after the business portion, but before the meeting is adjourned. Following the business portion of the meeting, members of the public will have an opportunity to discuss FENOC's performance and the role of the NRC in ensuring safe operations at the plants.

Handicapped persons requiring assistance to attend the meeting shall make their requests known to the NRC meeting contact no later than two business days prior to the meeting. Attendance by NRC personnel at this meeting should be made known by Friday, June 17, 2011, via telephone to the NRC meeting contact.

The NRC provides reasonable accommodation to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in this meeting, or need this meeting notice or other information from the meeting in another format (e.g., Braille, large print), please notify the NRC's meeting contact identified above. Determination on requests for reasonable accommodation will be made on a case-by-case basis.

The NRC's Policy Statement, "Enhancing Public Participation in NRC Meetings," effective May 28, 2002, applies to this meeting. This policy statement may be found on the NRC Web site, www.nrc.gov, and contains information regarding visitors and security.

To begin receiving plant-specific e-mail distributions, you must subscribe to the Operating Reactor Correspondence electronic distribution for this plant or any other NRC operating plant via <http://www.nrc.gov/public-involve/listserver.html>. Once subscribed, if you wish to discontinue receiving electronic distribution, you may unsubscribe at any time by visiting the same web address above.

Note: Attendance at this meeting by NRC personnel, other than those listed above, should be made known to the NRC meeting contact by June 17, 2011.
