ADJACENT PROPERTY OWNER TABLE

Attachment A-1**Method on Conducting Adjacent Property Owner Search**

As part of the Joint Permit Application, information on property owners adjacent to the project site, across the waterway of the project, and ½ mile downstream of the proposed project components are required. Information on the adjacent property owners were obtained in five counties, including Louisa County, Spotsylvania County, Orange County, King William County, and King and Queen County. Due to the size and scope of the proposed project, the Virginia Department of Environmental Quality recommended that Dominion contact the Commissioner of Revenue within each county to help identify the property owners. The table below provides specific detail for each county on how the property information was obtained.

County	Method	Format of Data	Date Received
Louisa County	For property owners located adjacent to Lake Anna and the Dominion property, an email was sent to Nancy Pleasant, Commissioner of Revenue requesting information. Nancy Pleasant forwarded the request to Matthias Smith, County GIS Coordinator.	GIS Shapefiles	6/17/10
Spotsylvania County	Email sent to Debbie Williams, Commissioner of Revenue. Received email from Janet Loyd, Assistant to Commissioner of Revenue, who forwarded request to David West, County GIS Specialist.	GIS Shapefiles	6/21/10
Orange County	Email sent to Donna Chewning, Commissioner of Revenue. Donna Chewning forwarded email to Deborah Kendall, County Interim Planning Director. Deborah Kendall requested information from their GIS Contractor. Files verified through Orange County's on-line tool June 2010.	GIS Shapefiles	10/14/09
King William County	Email sent to Betty Brooks, GIS Technician. Betty Brooks sent GIS shapefiles via mail.	GIS Shapefiles	6/23/10
King and Queen County	Contacted Donna Sprouse, Assistant Zoning Administrator and GIS Coordinator via telephone.	Email	10/15/09
