

June 20, 2011

Mr. Steve W. Schilthelm  
SLDA License Manager  
BWX Technologies, Inc.  
800 Main Street  
Lynchburg, VA 24504

SUBJECT: CORRECTION TO LICENSE NO. SNM-2001 FOR THE SHALLOW LAND  
DISPOSAL AREA, PARKS TOWNSHIP, ARMSTRONG COUNTY,  
PENNSYLVANIA, LICENSE AMENDMENT NO. 9

Dear Mr. Schilthelm:

BWX Technologies, Inc. (BWXT) requested in a letter dated June 8, 2011, [ML111600065] that the U.S. Nuclear Regulatory Commission (NRC) amend Special Nuclear Materials License No. SNM-2001 for the Shallow Land Disposal Area (SLDA) site, located in Armstrong County, Pennsylvania. Specifically, BWXT identified inconsistent references to the licensee name and also requested that the mailing address be updated, respectively under License Conditions 1 and 2. The NRC staff concurs that BWX Technologies, Inc is the correct licensee name for SLDA site. Therefore, License Conditions 1 and 2 have been updated to reflect the aforementioned administrative changes.

An environmental assessment for the action is not required because the license revisions are categorically excluded under 10 CFR 51.22(c)(11) for administrative, organizational or procedural changes. A corrected copy of the license is enclosed.

In accordance with 10 CFR 2.390 of the NRC's Rules of Practice, a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

S. Schiltheim
