Case No.: 2011-0360  
Date Rec.: 9-20-11  
Specialist: Dennis

Dear Ms. Sealing:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 *et seq* ("FOIA"), I request copies of (or access to) **Nuclear Regulatory Commission Chairman Gregory Jaczko's complete response to a July 8, 2011 letter from Reps. Fred Upton and John Shimkus** (hereinafter the "Records.") Chairman Jaczko asked that House Energy and Commerce Committee not release part of his response, dated July 22, 2011. I am requesting this information--specifically, the chairman's replies to items 1, 2 and 3 in the July 8 letter.

I am a reporter for Bloomberg News, an accredited and recognized newsgathering organization. I request the Records to inform the public about matters of public concern.

FOIA requires that the your agency respond to this request within 20 business days. This request is segregable, and your agency may not withhold entire records because of one section that you believe is exempt from disclosure. Under federal law, if you choose to withhold any such parts of the records from disclosure, you must specify in a written response the factual and legal basis for withholding any part of the Records.

In responding to FOIA requests, the agency must operate with a presumption in favor of disclosure. As stated in a January 21, 2009 Presidential Memorandum: "All agencies should adopt a presumption in favor of disclosure, in order to renew their commitment to the principles embodied in FOIA, and to usher in a new era of open Government."

I agree to pay reasonable fees for the Records, including actual costs up to \$250. If you estimate that actual costs will exceed this amount, please contact me so that I may make the appropriate arrangements for payment. Please contact me if I may assist in your office's response to this request.

Sincerely,
