Subject: Earth Exploration, Inc. Report of Radiation Safety Activities - Report No. 9

Dear Ms. Boland,

In continued response of Confirmatory Order IA-09-044, attached is our ninth report of our quarterly radiation safety activities for the fourth quarter of 2011. We hope this correspondence effectively discusses and documents our activity and Radiation Safety Program over the course of the past three months, October through December, 2011.

Should you have any questions regarding the information in this report, please contact us at your convenience.

Thank you.

Christopher S. Loyd
Radiation Safety Officer
