Thank you! I will be better able to speak at the 1:00 meeting, as it will take a bit of time to get to there, hear the arguments and return to Ocala. Do you have a link/map for directions to the actual meeting place? Thanks again, Susan Woods

I have just been informed that I may be permitted to speak at the meeting referenced above. I would like to ask to be on the list of speakers if that is still possible. I am president of the Floridan Aquifer Legal Defense Organization, and this is my contact information:

**Susan Woods
7323 NW 90th Ave, Ocala, FL 34482**

I understand that each speaker is limited to 5 minutes.

**Thank you very much,
Susan Woods**
