1/6/2012 (15:15) I called Mr. Jaworski to determine whether a renewal application had been sent in to the NRC Region I office. He stated that he did not realize that the license was expiring and requested information on how to fill out an application. I referred him to the NRC website and NUREG-1556, Vol. 7, Appendix D for users of gas chromatographs. I also left him my name and phone number should he have any difficulty with the information.
