Response to NOV/Order/CP dated December 23, 2011

(NOTE: This will be used as the
Documents Title in ADAMS)

Judy informed Dr. K that the check for the CP was received, but that the response was not adequate because we still do not have the insurance policy that he referred to in the letter. Dr. K stated that he sent an email recently to Betsy and Jim Dwer with information; Betsy has not received it. Judy and Betsy explained that Judy now has Jim's job and he should send information to her. At Judy's request, he provided the name and contact information for the insurance company. Betsy informed him that the insurance policy would also require a Standby Trust Agreement and Judy provided him with the NUREG-1757 references for both insurance and STA. Betsy stated she would also send this information to Dr. K in an email. Judy reminded Dr. K that the Order is effective on February 17, 2012 if we do not have this information. Dr. K re-stated his intention to provide everything required, that he has re-organized the administrative staff in his office and wants to stay in business with the cyclotron and radiopharmacy. He stated that the RSO is on vacation this week, but will be back next week, and Dr. K stated he would update us on his progress by Monday after the RSO returns. Judy confirmed that he intended to update us on Monday January 23 and he said yes.
