RAI Re: Notification, dated December 4, 2011 (ML113410087)

(NOTE: This will be used as the
Documents Title in ADAMS)

On December 16, 2011, I contacted the RSO to determine if Thermo Fisher Scientific Inc. (Thermo Fisher) in Santa Fe, New Mexico is exclusive Federal jurisdiction. The RSO was not sure, and stated that he would verify.

On January 6, 2012, I followed up with the RSO, who informed me that Thermo Fisher Scientific Inc. (Thermo Fisher) in Santa Fe, New Mexico is not exclusive Federal jurisdiction.

On January 9, 2012, I discussed with the RSO that because this job is not exclusive Federal jurisdiction, that NRC does not have regulatory jurisdiction for this activity. For this reason, we will void the notification. I also informed the RSO that this action is taken without prejudice to the submission of future notifications.

Action Required: Enter telecom into ADAMS; VOID Notification.
