2011 (ML113430090)(NOTE: This will be used as the
Documents Title in ADAMS)

On January 6, 2012, I contacted the licensee to determine if the Al Kharj in Saudi Arabia is exclusive Federal jurisdiction. The RSO was not sure, and stated that he would verify.

On January 10, 2012, the licensee informed me that Al Kharj in Saudi Arabia is not exclusive Federal jurisdiction. I then informed the licensee that because this job is not exclusive Federal jurisdiction, the NRC does not have regulatory jurisdiction for this activity. For this reason, we will void the notification. I also informed the RSO that this action is taken without prejudice to the submission of future notifications.

In addition, I informed the licensee that we would accept the Notification (ML113540149) regarding change in corporate management.

Action Required: Enter telecom into ADAMS; Generate Letter to Accept Notification regarding a change in management and Void Notification regarding initiation of activities at a temporary job site.
