Tomeka / Alicia,

We would like to book our flights today, so I wanted to reiterate that Exelon is planning to use Friday (1/13) as a travel day. Once we book our flights, we'd like not to change them to avoid unnecessary charges.

As I mentioned in my previous e-mail, our preference is to go later on Wednesday evening if any of your SMEs request additional time on a given topic. I think that approach is also compatible with the visit you have planned for Friday morning, since it appears that all of your remaining SMEs will be participating.

Please let me know if you have comments on our plan at your earliest convenience.

Thanks,
JT
