Dick,

For the ASME specification open item: Terri Spicher will not be available tomorrow for the afternoon call. **Therefore, there will be no discussion on 3.9.3.** I've arranged another internal meeting with her and Jason on Monday (1/9/12) to be ready for next Wednesday's (1/11/12) call.

For ACSTIC2 open item: John Wu is expecting an update of the RAI response to RAI 03.09.01-2 (status and schedule). He and I will also have another internal meeting on Friday (1/6/12) on the final audit report. I plan to issue the report before the end of next week (ending 1/13/12). Therefore, the discussion on ACSTIC2 should be short.

John,

Samir has some questions on the recent response (I believe on the section cut)) Please make sure either Javad or P.K., or both, are available tomorrow at about 2:30 pm for our discussion on 3.7/3.8.

Regards
