RE: Amendment to NRC Radioactive Materials License #21-16394-01, Baraga Hospital in L'Anse, Michigan

Dear Sir or Madam:

Please amend the above referenced radioactive materials license to reflect the following:

1. Add Dr. Todd K. Bostwick as an authorized user for the materials listed under 10 CFR 35.100 and 35.200. For Dr. Bostwick's training and experience, please reference the attached NRC Radioactive Materials License #21-02037-03.
2. Remove Dr. Altmann as authorized user from our radioactive materials license.

Thank you for your assistance in this matter. If you have any questions, please contact me at (906) 524-3363.

Sincerely,

A handwritten signature in cursive script that reads "Calvin Koski".
