Subject: Notification to Petitioner of Decision on Immediate Action and Potential Dates/Times for teleconference w/ Petitioner

Mr. Saporito,

As requested in your email of Wednesday September 14, 2011, I am providing the following three dates and times that the Petition Review Board (PRB) is available to discuss your petition via teleconference call.

Monday, September 26, 2011 2:00 PM – 3:00 PM

Thursday, September 29, 2011 1:00 PM – 2:00 PM

Tuesday, October 11, 2011 1:00 PM – 2:00 PM

At your earliest convenience please confirm your availability at one of these times. When a mutually agreeable date and time is arrived at, then I will provide a toll-free call-in number and passcode for your participation on the call.

In addition, the PRB has made a decision regarding the request for immediate action contained in your petition. The PRB denied the request for immediate action because there was no immediate safety concern to plant, or to the health and safety of the public. The requirement to demonstrate that no functional damage has occurred to those features necessary for continued operation without undue risk to the health and safety already exists in 10 CFR 100 Appendix A.

If you have any questions feel free to respond to this email or call me at 301-415-1119.
