VIA CERTIFIED MAIL #7006 2760 0000 3970 6586, RETURN RECEIPT

Mr. Michael G. Herr, CHP
Materials Licensing Branch
United States Nuclear Regulatory Commission, Region III
2443 Warrenville Road, Suite 210
Lisle, Illinois 60532-4352

Subject: Radiation Safety Officer
License No. 13-06932-03
Control No. 573240
Cargill, Inc. – Hammond, Indiana

Dear Mr. Herr:

Currently, Gary Snodgrass is the Radiation Safety Officer (RSO) at the Cargill, Inc. Hammond, Indiana facility. However, Mr. Snodgrass will be leaving the facility in the near future and resigning his RSO duties. At this time, we are requesting the Nuclear Regulatory Commission to amend our license to designate Mr. James Tuinstra as the facility's RSO. Attached is a letter from Mr. Tuinstra accepting the RSO position and a copy of his training certificate from Nevada Technical Associates, Inc.

Should you have any questions or comments concerning this matter, please contact me either via email at ellen_brady@cargill.com, or via telephone at 219-473-5831.

Sincerely,

Ellen Brady
Facility Manager

To Whom It May Concern:

I, James Tuinstra, accept the position as Radiation Safety Officer (RSO) for the Cargill Incorporated facility located in Hammond, Indiana. I understand that my duties include but may not be limited to:

- Stopping unsafe activities,
- Supervise decontamination,
- Ensure security of the materials,
- Control disposal,
- Interact with the NRC and other agencies as necessary,
- Maintain records,
- Audit the program annually,
- Train personnel as necessary, and
- Investigate abnormal events

I also understand that I have been give the authority by facility management to shut down facility operations should I deem there is a health and/or safety concern with the operation or use of a nuclear device.

Additionally, on October 8, 2010 I successfully completed the Nevada Technical Associates, Inc's forty (40) hour technical short course entitled "Radiation Safety Officer."

Sincerely,

A handwritten signature in black ink, appearing to read "James Tuinstra", written in a cursive style.

James Tuinstra

James Tuinstra

Has successfully completed the 40 hour technical short course entitled

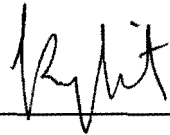

Radiation Safety Officer

October 4 – October 8, 2010

This certificate presented in Columbus, Ohio, October 8, 2010

By Nevada Technical Associates, Inc.

Approval codes for C.E. units are: ASRT 30.5 units: NVZ0146001, AAHP 32 units: 2008-00-005, ABIH 4.5 units: 08-1362
