No problem, I will ensure all parties get the report on friday, electronically. Tx

For us, the quickest way we can get a copy is key; Monday morning would be a problem as we will be onsite by then.

Subject: the NA report

VEPCO/Dominion says they are going to send us a "restart" report around cob tomorrow, Friday, Sept 16. If they hold to that schedule, would you like them to email you a copy of it to you then – or just wait until Monday morning? I won't be in the office Friday afternoon, so am thinking of a way to get it to interested parties.

The K-K report is ~ 200 pages and is about 2.7 MB in size. By comparison, VEPCO's report should be < 5MBs and should be emailable. I'm working with Dominion on that.
