Branch Chiefs/George,

Attached was the e-mail where we transmitted NRR inputs, including inputs received from R-II on questions 1 and 2, to the front office TAs for processing with OEDO on G20110646 (assigned to Roger Rihm of OEDO, with coordination with NRR and NSIR). We agreed to provide inputs to the front office by COB Friday, 9/9/2011.

I appreciate all the support that you and your staff members have provided to accomplish this effort in the most timely manner.
