Subject: Reminder - Calvert Cliffs Hearing File Update February 2012

TO CALVERT CLIFFS 3 ENVIRONMENTAL REVIEW TEAM MEMBERS:

The staff has to monthly update the hearing file by sending all related emails, letters, and correspondence into the hearing file so that it can be processed and reviewed by OGC and then signed by the lead PM. Please process all emails by **COB Wednesday, February 23, 2012**, for the next monthly update. This means that all emails and other correspondence from January 21, 2012 up to and including February 23, 2012 must be processed. Many of you may have little to very few documents/emails to process because the FEIS has been issued.

Emails that pertain to the Calvert Cliffs COLA review need to be sent to the following email address: CCNPP3COL.Resource@nrc.gov. For emails that you have already sent you will need to forward the emails **as attachments** to that address (putting <ADAMS ENVELOPE> or <AE> in the subject line of such forwarding emails). Also if the email is Non-Public in nature, then place "NON-PUBLIC" in the subject line. An easy way of keeping up with the hearing file is to copy (in the cc line of the email) CCNPP3COL.Resource@nrc.gov in the emails as you send them. If you cc the hearing file in the email as you send it then the <AE> is not needed in the subject line.

Since the environmental team relies on contractor support to develop the EIS, emails from contractors must also be put into the hearing file. The responsibility of submitting contractor emails is on the NRC counterpart.

As general guidance on the matter of preserving documents, we need to save all documentation submitted by the applicant, all correspondence (letters, emails, documents etc.) between the applicant and staff related to the application, any documents supporting or opposing the Staff's review of the application, and any documents representing the Staff's determination on the application. Also included is relevant correspondence between you and our contractors. If you have such documentation not in an email you must submit it to ADAMS under a 665 Form.

For more detailed discussion of preserving documents, please go to the following link: <http://nrr10.nrc.gov/NRO/training/docs/hearing.ppt>.

Not sure if it's an Official Agency Record? Check OIS's interactive question and answer tool: <http://www.internal.nrc.gov/ois/help/faq-rec-mgt.html#top>.

Please contact me if you have any questions or need additional information regarding this matter.

Thanks
Laura
