To whom it may concern,

MT Operating of NJ, LLC 175 Quincy Court Hopelawn, New Jersey, is requesting the following amendments to our current Materials License # 29-30465-01 Docket # 030-34791:

- 1) Please remove the temporary storage jobsite of 35A North Plains Industrial Road, Wallingford, Connecticut.

The reason for this change is that the facility in Wallingford, CT has been sold to one of the engineers, and is no longer associated with the MT Group.

The new owner (Habib Chaudary) has made application for his new license.

- 2) Please remove 1279 McDaniels Drive Dover, Delaware as a temporary storage site. Due to the economy the local office in Dover has been closed.

This change should take effect immediately

Should you have any additional questions please do not hesitate to call me at: 732-725-6177

Sincerely,

Frank G. Pennisi
