UniStar's letter with ADAMS Accession Number **ML12032A217**, dated January 31, 2012, provides a **revised** response date of March 30, 2012, for responding to Question 14.03.12-8 of your RAI Number 317 (eRAI 5839). The previous response date, included in UniStar's letter dated November 30, 2011, was January 31, 2012. Please note the revised response date and let me or the Chapter PM (David Jaffe) know if the current EPM published date for completion of the SER input from your branch to the projects requires any adjustment. Since the projects group is currently working on the revised schedule for the project, your early response would be highly appreciated.

Thanks.
