**Subject:** Need Renewal Application

(NOTE: This will be used as the Documents Title in ADAMS)

I called Fischer Technology, Inc. and asked to speak to the Radiation Safety Officer's management. I was transferred to Dr. Taylor. I discussed that the NRC has not received an application for the renewal. I discussed that I needed to have it completed in 6 months and that only a little more than 2 months remained. I discussed that the RSO had promised to have an application in previously. Dr. Taylor asked for me to send the emails to him from the previous correspondence. I sent them to him. He said he would look into the matter and get back with me.

**Action Required: Fischer Technology, Inc. to submit renewal application.**
