

## WCO outreach CEm Resource

---

**From:** JaynehMDA@aol.com  
**Sent:** Friday, February 24, 2012 2:54 PM  
**To:** WCO outreach Resource  
**Subject:** NRC should require HOSS

NRC should require [Hardened On-Site Storage \(HOSS\)](#) to safeguard high-level radioactive waste against accidents, secure it against attacks, and prevent leakage over time into the environment. HOSS would require fortifications and the highest quality assurance and control. Hundreds of environmental groups across the U.S. have endorsed HOSS.

Thank you, Jayne Hamilton
