Dear Mr. Barker:

Attached are the revised pages to the Emergency Management Plan for Monroe County, Michigan, approved by the County Board Chair on January 20, 2012. Monroe County lies within the Fermi 2 Nuclear Power Plant's 10-mile emergency planning zone.

We request that you review this material for conformity to Title 44, Code of Federal Regulations, Part 350 and the requirements of NUREG-0654/FEMA REP 1. Please provide written comments regarding your review to DHS/FEMA Region V by May 25, 2012. Please retain the prior approved plan sections until all Regional Assistance Committee members have provided us with their review comments. At that time we will notify you of our findings concerning final approval, and provide updating instructions.
