Reference Contract NRC-HQ-11-C-10-0035 for NRC Headquarters Onsite Mail Support Services and Courier Services.

The purpose of this modification is to revise the Statement of Work as follows:

(1) On page 1, under Section A.I. Headquarters Locations, the 3WFN description is revised to change the address of the Three White Flint North Building (3WFN) from 11601 Station Street, Rockville, Maryland, to **11601 Landsdown Street, Rockville, Maryland 20852**. The revised description shall read:

Three White Flint North Building (3WFN) will be located at 11601 Landsdown Street, Rockville, Maryland 20852, adjacent to OWFN. This new facility will be a 14-story building located between the current White Flint Metro station entrance and the Metro parking garage. The 3WFN building is expected to be occupied in 2012 and will consolidate staff currently residing in EBB, GWB, TWB, and CSB. It will include approximately 360,000 square feet of space and house between 1,300 -1,400 occupants. Current plans for the 3WFN building include a 300 square foot mailroom in the new building.

(2) On page 4, under Section C.I. Task 1: X-Ray scanning, the third paragraph is revised to change the NRC Warehouse location from 5008 Boiling Brook Parkway, Rockville, Maryland 20852, to **4930 Bolling Brook Parkway, Rockville, Maryland 20852**. The revised paragraph shall read:

X-ray scanning is currently accomplished on the P-1 level of the OWFN building but will eventually move to a new offsite facility in NRC warehouse space. The NRC warehouse is located at 4930 Boiling Brook Parkway, Rockville, Maryland 20852. This move will require the contractor to provide staffing to receive, scan, presort, and transport all incoming mail and packages from the offsite facility to the interim building locations and the main mail services center at OWFN for subsequent sorting and distribution to staff in OWFN and TWFN. When the 3WFN building is occupied, mail shall be delivered directly from the warehouse.

The period of performance from June 1, 2011 through November 30, 2012 remains unchanged.

This modification does not obligate any funds. The obligated amount of \$788,083.00 remains unchanged.

The current ceiling amount of the contract of \$791,675.00 remains unchanged.

All other terms and conditions remain the same.
