REG CON 2012

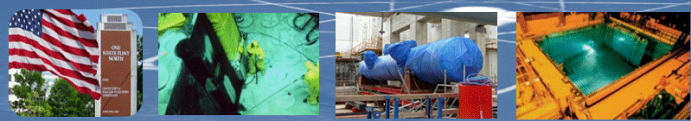

SEPTEMBER 12 – 13, 2012

TWO WHITE FLINT NORTH AUDITORIUM

What we hope to accomplish

- Provide an opportunity for stakeholders to share experiences and provide insights on improving regulatory processes
- Achieve constructive dialogue and obtain input while we communicate and develop NRC understanding of technical and regulatory issues
- Desired result: provide reasonable assurance of public health and safety while promoting openness, regulatory effectiveness, predictability, and stability

REG CON 2012
