Docket, Hearing

From:	Wisemud [wisemud@aol.com]
Sent:	Friday, September 14, 2012 11:34 PM
То:	Docket, Hearing
Subject:	Do not continue Indian Point nuclear power.

I feel that the Indian Point power plant is a danger to everyone in this area. Renewable energy is a better choice both for economic benefit and safety. While Nuclear Energy avoids release of greenhouse gasses it adds heat energy and can poison everyone.

DOCKETED USNRC

September 17, 2012 (8:30 a.m.)
