Subject: High Point Enerfy Facility in NY

Office of Secretary, Rulemakings and Adjudications Nuclear Regulatory Commission Washington
DC 20555-0001

Dear Commission:

Please deny application for a 20 year extension at the Indian Point Facility in NY.
The Indian Point Energy Facility in Buchanan, NY. Should not operate for another 20 years.
It is located in a much populated area. It has had many serious problems in the past . Please
take these problems in to consideration.
A major steam pipe rupture, Siren failures. A target for terrorism in a highly populated
area.
