Subject: Entergy Nuclear Northeast NYC ACTSO Endorsement Letter
Attachments: Share Endorsement Letter.doc

To whom it may concern,

My name is Anton Tomlinson and I am the president of ACT-SO. I am writing because it is my understanding that the NRC is considering numerous issues in connection with the license renewal application for the Indian Point Energy Center, including the potential for alternative energy sources.

I urge the Nuclear Regulatory Commission and the Atomic Safety Licensing Board to renew Indian Point's operating license.

Thank you for your consideration of my comments.

Anton Tomlinson
