Subject: Acknowledgment of Submittal of Standard Practice Procedures Plan, Revision to Certificate Pertaining to Foreign Interests and Form for Owners, Officers, Directors, and Executive Personnel, dated August 16, 2012

Hi Jim,

On August 16, 2012, you submitted an update to the Standard Practice Procedure Plan (SPPP) Appendix 1, Certificate Pertaining to Foreign Interests, and Appendix 2, Owners, Officers, Directors, and Executive Personnel (OODEP) for the AREVA Enrichment Services (AES) Eagle Rock Enrichment Facility (EREF). The update identifies changes in the membership of the AES Management Committee and in the AES Officers.

Under Title 10 of the Code of Federal Regulations (10 CFR) 95.17(1), a licensee is required to notify the NRC within 30 days of any significant change that may affect its status concerning foreign ownership, control, or influence (FOCI), including, changes to the licensee's responses to FOCI questions and changes in the officers, directors and executive personnel. The NRC staff has reviewed the changes to Appendices 1 and 2 and determined that the changes were made in accordance with 10 CFR 95.17 and do not alter the staff's decision to waive the requirement for FOCI mitigation for the EREF.

In accordance with 100 CFR 2.390 of the NRC's "Rules of Practice," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from ADAMS.

If you have any questions, please contact me at (301) 492-3110 or by email.

Thanks,
Breeda
