Thanks, Steve. You are correct about question 09.01.05-1 – the changes made by the supplemental response to the question will be incorporated into Rev 4 of the COLA and the correct status then is Confirmatory Action Applicant.

RAI Letter Number 198 is now closed. RAI 052, question 09.01.05 is confirmatory applicant, COLA revision 4. Luminant provided an acceptable response June 13, 2012. I believe this will be implemented in Revision 4.
