SUBJECT: Update of Schedule to Submit Design Certification Application (DCA) and Revision of Proprietary Designation

REFERENCE: "NuScale Power Response to RIS 2011-02 (Revision 1) (NRC Project No. 0769)," dated February 10, 2012, NP-LO-0212-271

NuScale Power, LLC submitted responses to specific questions from updated RIS 2011-02 Revision 1 in the reference letter. Enclosure 2 to this letter was designated as containing proprietary information in accordance with 10 CFR § 2.390. The proprietary response in this enclosure provided the planned submission date for the NuScale Design Certification Application (DCA) to the NRC. NuScale has updated this planned DCA submission date to the third quarter of calendar year 2014 with an objective of obtaining Design Certification (DC) from the NRC under 10 CFR Part 52 Subpart B. NuScale has also determined that this DCA submission date is nonproprietary.

Please feel free to contact me at 541-207-3931 or ewallace@nuscalepower.com if you have any questions.

Sincerely,

Edward G. Wallace
Vice President, Regulatory Affairs
