Dennis,

I will not be back to the office until around the 15th. What does it mean if we have to void this action?

Mike

Mr. Spady,

I can give you an extension to October 15. Which means the letter is received at NRC Region 1 office on October 15. Will you be able to meet that deadline? If not, I need to void this action. Also realize that the October 15 date does not allow any follow-up if I have further questions.

Dennis,

I'm actually out of the office for 5 weeks attending a training course in TN. Can I get an extension on the 30 days to respond to your request for more information? Charles Sabatos received your request after I had left the office, sorry.

This is in reference to the license amendment request to amend in full to a limited scope license. If you need our license #, please let me know...

Thanks,

Mike Spady
