Ms. Bozin,

Thank you for your patience. I got notified that the Honorable Chairwoman Macfarlane will be available for Mr. Kim's visit from 1 to 1:30 on June 3. It would be appreciated if Mr. Kim can visit the Honorable Commissioner Ostendorff from 1:30 to 2. Please confirm if it's acceptable.

For your information, there will be around five other visitors accompanying Mr. Kim, including Dr. Byung-Oke Cho, EVP of Safety & Technology Division, Mr. Seung-Chul Lee, VP of Technology Policy & Planning Department, Mr. Jong-Ha Ahn, Director of R&D Team. There may be a couple more persons from KHNP HQ or KHNP US office. As I was advised by Mr. Ward, APR1400 DC project Lead PM at NRO, I will prepare and submit him the organizational chart that shows the visitors position and responsibilities for the Commissioner's reference.

Please let me know if you need any further information.

Thank you.

Regards,

Harry

Ms. Bozin,

Thank you for your quick and positive response. I am trying to arrange Mr. Kim's meeting with the Honorable Chairwoman Macfarlane and the Honorable Commissioner Ostendorff, since other Commissioners seem to be out of office during Mr. Kim's planned visit on June 3. I asked for the Honorable Chairwoman Macfarlane's availability on June 3 as well, so I will get back to you with the time window in consideration of the availability of the Honorable Chairwoman Macfarlane, as soon as I hear from Ms. Gibbs from her office.

Thank you.

Regards,

Harry

**Subject:** KHNP CEO's visit to the Honorable Commissioner Ostendorff

Ms. Herr,

I am Harry Chang at KHNP NY office, working for APR1400 Design Certification. KHNP is about to submit APR1400 DCD in the third quarter this year, and our management from KHNP HQ in Korea would like to visit the Commissioners to discuss its status and to commit its plan, etc. In this regard, Mr. Kyun-Seob Kim, President & CEO of KHNP, would like to visit the Honorable Commissioner Ostendorff in early June. I heard from Mr. Ward at NRO that the Honorable Commissioner Ostendorff will be at NRC during the week of June 3, and Mr. Kim would like to visit him on June 3, if it's acceptable. I would appreciate if you confirm his availability on June 3 to meet with Mr. Kim, and we may arrange the details upon the confirmation. For your reference, I attached Mr. Kim's bio.

Thank you.

Regards,

Harry
